

# Parkway South Baseball - Brick Club

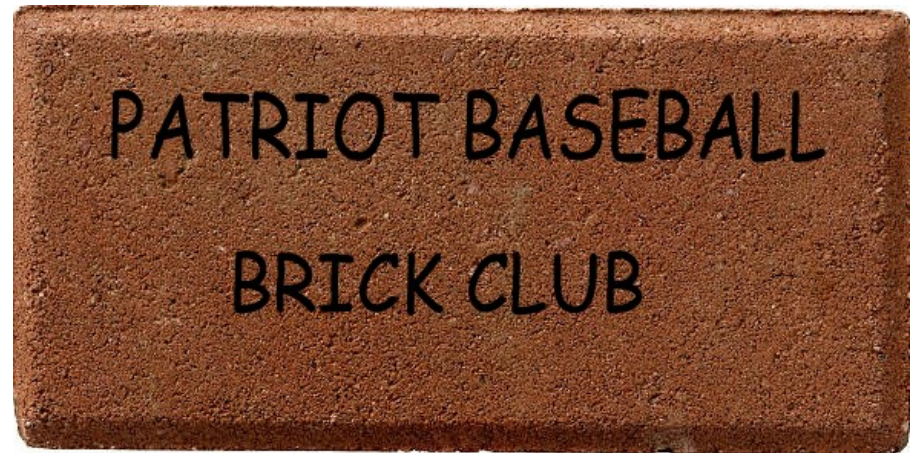

The Patriot Baseball Boosters are committed to the ongoing support of the baseball program and facility at Parkway South High School. We are offering a long lasting way to commemorate donors who help make this goal a reality. For a \$100 donation, you can personalize an engraved brick to be placed in the brick patio behind the home dugout. To become a permanent part of Patriot Baseball history, please forward your donation and application to the address below.
